North Kazakhstan State University

Almaty, 29.03.2018

To the Head of the department  
of strategy, quality and internationalization  
Ms. Pogrebetskaya M.

**XVI International Summer University:  
«Regional and Transnational Cooperation in Central Asia»**

Dear Ms. Pogrebetskaya,

on behalf of the German-Kazakh University (GKU) we would like to express our deepest respect. And we are honored to invite students of Uzbekistan State World Languages University to the XVI International Summer University «Regional and Transnational Cooperation in Central Asia», which will be held from 30 July until 11 August 2018 at the German-Kazakh University in Almaty.

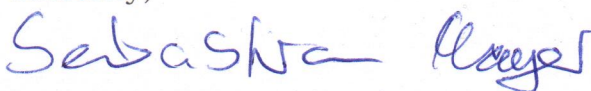

Out of a tradition of our University we offer an opportunity to young people from Central Asia and Germany to share professional and personal experience on the timely topic of regional integration in Central Asia. All participants of the summer university can listen to external experts on related topics of general interest.

The courses will be given in English.

We will be grateful if you could distribute the information among the students of your university.

Detailed information about the summer university, including on available travel allowances and the questionnaire can be found in the attachment.

Sincerely,

Dr. Sebastian Mayer

DAAD Associate Professor of International Relations, GKU
