

Список ППС СКГУ им. М. Козыбаева, премированных за публикацию статьи в рейтинговых международных журналах с ненулевым импакт-фактором за 2018 год.

№	ФИО	Название статьи	Название журнала	База данных
1	Добровольская Лиана Валерьевна	«Information Technologies in Teaching Pop Vocals of Teenagers with Disabilities in Motion»	Computers helping people with special needs	Scopus
2	Ивель Виктор Петрович, Савинкин Виталий Владимирович	«The development of the system stabilizing the temperature of the steam turbine's blades during the spraying process of dioxide zirconium»	International Journal of Mechanical Engineering and Technology	Scopus
3	Кадыров Жанбай Турарович	«Rhetoric as art of eloquence in the ancient greek culture [La retórica como arte de la elocuencia en la Antigua cultura griega]»	Opcion	Scopus
4	Кадыров Жанбай Турарович	«Spiritual Challenges of the Sacred»	Utopia y praxis latinoamericana-revista internacional de filosofia iberoamericana y teoria social	Scopus
5	Легостаева Любовь Валентиновна	«Major development mechanisms for the infrastructure of the transport and logistics complex in Kazakhstan» в издании «Journal of Advanced Research in Law and Economics»	Journal of Advanced Research in Law and Economics	Scopus
6	Таласпаева Жанар Серкешовна	«Role of the project methodology in the process of foreign language teaching»	Astra Salvensis – review of history and culture	Scopus
7	Малицкая Наталья Владимировна	«Selection of spring soft wheat (Triticum aestivum L.) varieties for the adaptability in the conditions of steppe zone of the Akmolinsk region, Kazakhstan(Article)»	Sel'skokhozyaistvennaya Biologiya	Scopus
8	Ивель Виктор Петрович, Герасимова Юлия Викторовна Молдахметов Саят Сайранович	-«System of lifting and rotation of railway cars» -«Methods of ECG-signal transmission system development»	ARNP Journal of Engineering and Applied Sciences	Scopus
9	Мажитова Гульнур Забихулаевна	«Assessment of landscape-recreational capacity of North Kazakhstan region»	GeoJournal of Tourism and Geosites	Scopus

10	Доскенова Бану Бейсеновна Мажитова Гульнур Забихулаевна	«Assessment of the sustainability of landscapes of the North-Kazakhstan region to agricultural impact»	News of the National Academy of Sciences of the Republic of Kazakhstan, Series of Geology and Technical Sciences	Scopus
11	Дюрягина Антонина Николаевна	1)«Investigation of the processes of titanium dioxid dispersion in the presence of various surfactants» 2)«Study of paint and varnishes systems structuring in the presence of surfactants» 3)«Study of wetting of aluminum and steel substrates with polyorganosiloxanes in the presence of nitrogen-containing surfactants»	1) Bulletin of the Karaganda University. Chemistry series 2) Bulletin of the Karaganda University. Chemistry series 3) Bulletin of the Tomsk Polytechnic University- Geo Assets Engineering	1)Web of Science Scopus 2) Scopus 3) Scopus
12	Валиева Майра Мухаметгалиевна, Копылова Оксана Васильевна	«Peculiarities of development of innovative enterprises in Kazakhstan»	European Research Studies Journal	Scopus
13	Мусабаева Гулбахша Нурмуқановна	«About methodological bases of studying of the modern globalization»	Bulletin of the national academy of sciences of the republic of Kazakhstan	Web of Science
14	Кашевкин Александр Александрович, Савостин Алексей Александрович	«Modernization of Vibration Analyzers Based on Identification Measurements»	Russian Journal of Nondestructive Testing	Web of Science
15	Кашевкин Александр Александрович	«An Intelligent System for Vibrodiagnostics of Oil and Gas Equipment»	Russian Journal of Nondestructive Testing	Web of Science Scopus
16	Савостин Алексей Александрович Риттер Дмитрий Викторович	«Comparative Analysis of Algorithms for Elimination of Low-Frequency Noise in Electrocardio-Signals»	Measurement techniques	Web of Science
17	Зубань Иван Александрович	«Estimating the autumn staging abundance of migratory goose species in northern Kazakhstan»	Wildfowl 68	Web of Science

**2018 жылғы М. Қозыбаев атындағы СҚМУ Импакт-факторы бар
рейтингтік халықаралық журналдарда мақалаларды жариялағаны үшін
сыйақы алған ППҚ**
